

## **2016 Texas Contaminated Sharps Injuries Public Health Region (PHR) 11**

**For all 2016 Texas Contaminated Sharps Injuries reports, data is not displayed for any cell size five or less in order to protect the privacy of the individuals involved in the incidents reported; instead an asterisk is displayed in lieu of the actual number of responses.**

**The total number of contaminated sharps injuries reported by the Texas Department of State Health Services (DSHS) in Public Health Region 11 is five or less, meaning that each of the 21 Contaminated Sharps Injuries tables would only contain an asterisk. Therefore, 2016 Contaminated Sharps Injuries Tables for PHR 11 are not displayed.**
