

**TEXAS DEPARTMENT OF STATE HEALTH SERVICES**  
**FISH AND SHELLFISH CONSUMPTION ADVISORY**

**ADV-42**

This advisory is issued as a result of sampling of Leon Creek located in Bexar County, Texas within the San Antonio city limits. Channel catfish, common carp, gar, and largemouth bass samples collected from Leon Creek indicate the presence of polychlorinated biphenyls (PCBs) at concentrations exceeding health assessment guidelines established by the Texas Department of State Health Services (DSHS). Consumption of fish from Leon Creek may pose a threat to human health.

**COUNTIES:** Bexar County

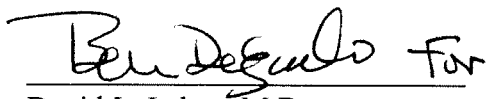

**AREA:** Leon Creek from the Old U.S. Highway 90 bridge downstream to the Loop 410 bridge.

**SPECIES AFFECTED:** All species of fish

**CONSUMPTION ADVISORY:** The DSHS advises that persons should not consume any species of fish from these waters.

This advisory shall remain in effect until rescinded or modified in writing.

Issued this 29<sup>th</sup> day of June, 2010
